FLIP IT is an evidence-based strategy that offers a simple, kind, strength-based, commonsense and effective four step process for day to day challenges and challenging behaviors from children.

The four steps are embodied in the FLIP IT mnemonic which stands for...

F – Feelings

L – Limits

I – Inquiries

P – Prompts

Learn how to help children become emotionally aware problem-solvers who develop healthy coping skills that will last a lifetime.

Brought to you by the Boulder County Child Care Assistance Program  
and the Early Childhood Council of Boulder County.
