

Boulder County Home Visitation Programs

Every family is unique—with different family members, different cultures and values, and different needs. We are fortunate in Boulder County to have several prenatal/early childhood home visitation programs that fit the needs of families in different ways. Please contact any program for assistance or more information. Any door is the right door.

Community Infant Program

PROVIDER
Parent-infant
Psychotherapist,
Nurse

GOOD MATCH
Parents experiencing mood difficulties (anxiety, depression), are overwhelmed, have moderate levels of family conflict, and need more skills for coping with emotional dysregulation

DESCRIPTION
In-home visits from a parent-infant psychotherapist and nurse who partner with families around their specific needs, including learning skills for positive parenting; healthy nutrition and feeding practices; communication skills between family members; addressing depression, anxiety and past trauma; and reading baby's cues

303-661-0433

Children with Special Needs

PROVIDER
Nurse

GOOD MATCH
Parents whose child was born early, has special healthcare needs, or a traumatic brain injury

DESCRIPTION
In-home visits from a nurse who monitors infant development; helps parents understand special health care needs and treatment choices, find local services, and navigate the health care system

303-678-6137
BoulderCountyHealth.org

Nurse-Family Partnership

PROVIDER
Maternal and Child
Health Nurse

GOOD MATCH
First time mothers who earn less than 200% of the Federal Poverty Level

DESCRIPTION
In-home visits from a nurse who monitors child development and helps parents learn skills for healthy pregnancy and positive parenting

303-413-7554
BoulderCountyHealth.org

GENESIS

PROVIDER
Parent Educator
with support from
Nurse or Social Worker

GOOD MATCH
Teens who are pregnant or have a child under the age of three

DESCRIPTION
In-home visits from a parent educator who helps parents learn skills for healthy pregnancy and positive parenting; provides education about and access to family planning services; helps and encourages re-entry to school/GED programs; and links participants to job training programs

303-413-7529
BoulderCountyGENESIS.org

Early Head Start

PROVIDER
Teacher

GOOD MATCH
Parents of children aged 0 - 3 who earn less than 100% of the Federal Poverty Level and want and/or need support to ensure the developmental and educational success of their child

DESCRIPTION
Weekly in-home visits from a teacher using an educational program that focuses on building the child's skills and brain functioning. Teachers also help parents with goal setting, self-sufficiency, healthy family functioning and connecting to community resources

303-776-8523
wildplumcenter.org

Parents as Teachers

PROVIDER
Teacher

GOOD MATCH
Parents of children aged 0-5 who need extra support around parenting skills and school readiness

DESCRIPTION
Bi-weekly home visits from experienced teachers who provide structured, family specific lessons to improve school readiness. Parenting and child development information and community resources, recreation, and events is also provided

303 204-3302
bouldercountypat.org

Bright by Three formerly Bright Beginnings

PROVIDER
Professional or Volunteer

GOOD MATCH
Parents with children under the age of three.

DESCRIPTION
In-home or community visits from trained volunteers prenatal or at birth, age 1, and age 2 who provide developmentally appropriate books and materials to promote optimal brain development, social-emotional skills, and school readiness. Volunteers also link parents to community resources
