SPECIAL SUPPLEMENT

JULY 2020

Grant Announcement

Dear Licensed Childcare Providers,

We are so excited to announce the 2020-21 Colorado Shines Quality Support Cohort application process! Most licensed programs serving children aged 0-5 in Boulder County can apply for funding from the Office of Early Childhood that provides 1:1 supports or trainings from ECCBC as well as funding for materials that would affect a quality rating or infant/toddler capacity building Capital Improvements. If you have any questions about your program's eligibility to apply please email Jessica at jknight@eccbouldercounty.org.

ECCBC will be implementing this grant support to approved programs with the following timeline:

- July & August 2020: 2019-20 Grant Cohort participants will submit their applications and obtain approvals to begin supports
- September & October 2020: New applications will be reviewed for approval to begin supports as available
- November-March 2020: Late submissions will be reviewed for approval or placement on a waitlist for supports

We look forward to continuing our work of partnering with programs and providers in their most important work supporting the families of Boulder County!

Sincerely,

Your Quality Support Team
